

WELCOME TO ODLE!

The **ODLE MIDDLE SCHOOL PTSA** would like to welcome all new incoming families and returning families to Odle MS!

We want you to know that Odle PTSA'S goal is to work together to build a strong community at Odle. We do that by providing support to Odle teachers and students so that everyone feels successful professionally, academically and socially. To do this, we need you! We need parents who will work alongside other parents to make Odle a place where everyone is valued and everyone can grow.

We hope that you will take a minute and find out how you can lend some of your valuable time and talents to help us continue to make Odle a successful school for our students through involved parents. Read the information below and in this packet. Talk to other parents on Taking Care of Business day. Find time to do your part to help Build A Community at Odle!

To start, there are two things you can do straight away!

1. VOLUNTEER YOUR TIME!

Remember, parent connection and involvement is vitally important for your child during their middle school years. It is a time of lots of growth and your child needs you to be involved in his or her life. One way to stay involved is by volunteering at school! The Odle PTSA has many rewarding programs and fun activities to add to your child's middle school experience. We encourage you to read the enclosed Volunteer Form (orange) and find at least one thing you would like to do. Just one thing can make a difference in your child's life and the life of another child. By volunteering to do at least one thing you will meet other people at Odle and help Build A Community at Odle!

2. KEEP INFORMED AND SIGN UP FOR EMAILS!

The Odle PTSA believes communication is the foundation to a strong community. This year we want to make our communication more "green". So, in 2008-09 we will send out Odle Viking News every week to your email address so you get all the information you need to stay involved. Make sure to read the Communications form enclosed and find out how to make sure your email address is on the email list. You can also find lots of information about what is happening through the Odle Middle School/PTSA website. Put our website on your favorites list and check in regularly for new updates at www.odlemiddleschool.org

We look forward to working with you to Build A Community at Odle!
